

# WHAT MAKES A *Great* NEIGHBOURHOOD?

## CHARACTER

A neighbourhood with its own defining character and a sense of pride thriving through its residents and business owners.

## GREEN SPACES

Parks that cultivate a healthy and sustainable environment help make a neighbourhood great for kids and adults alike!

## NEIGHBOURHOOD ASSOCIATION

A space that encourages social interaction motivates members of the community to bond together. This can be done through BIA's and/or institutional facilities in the neighbourhood.

## MIXED HOUSING

Encompasses many types of dwellings, which encourages a diverse housing development and population.

# WHAT MAKES A *Great* STREET?

## UNIQUE

---

Different architecture, interesting shops, or annual festivals that have become synonymous with the street.

## SUSTAINABLE

---

This is supported by a sustainable business culture, welcoming visitors of multiple generations and social backgrounds, and the incorporation of environmentally sustainable features.

## AMBIANCE

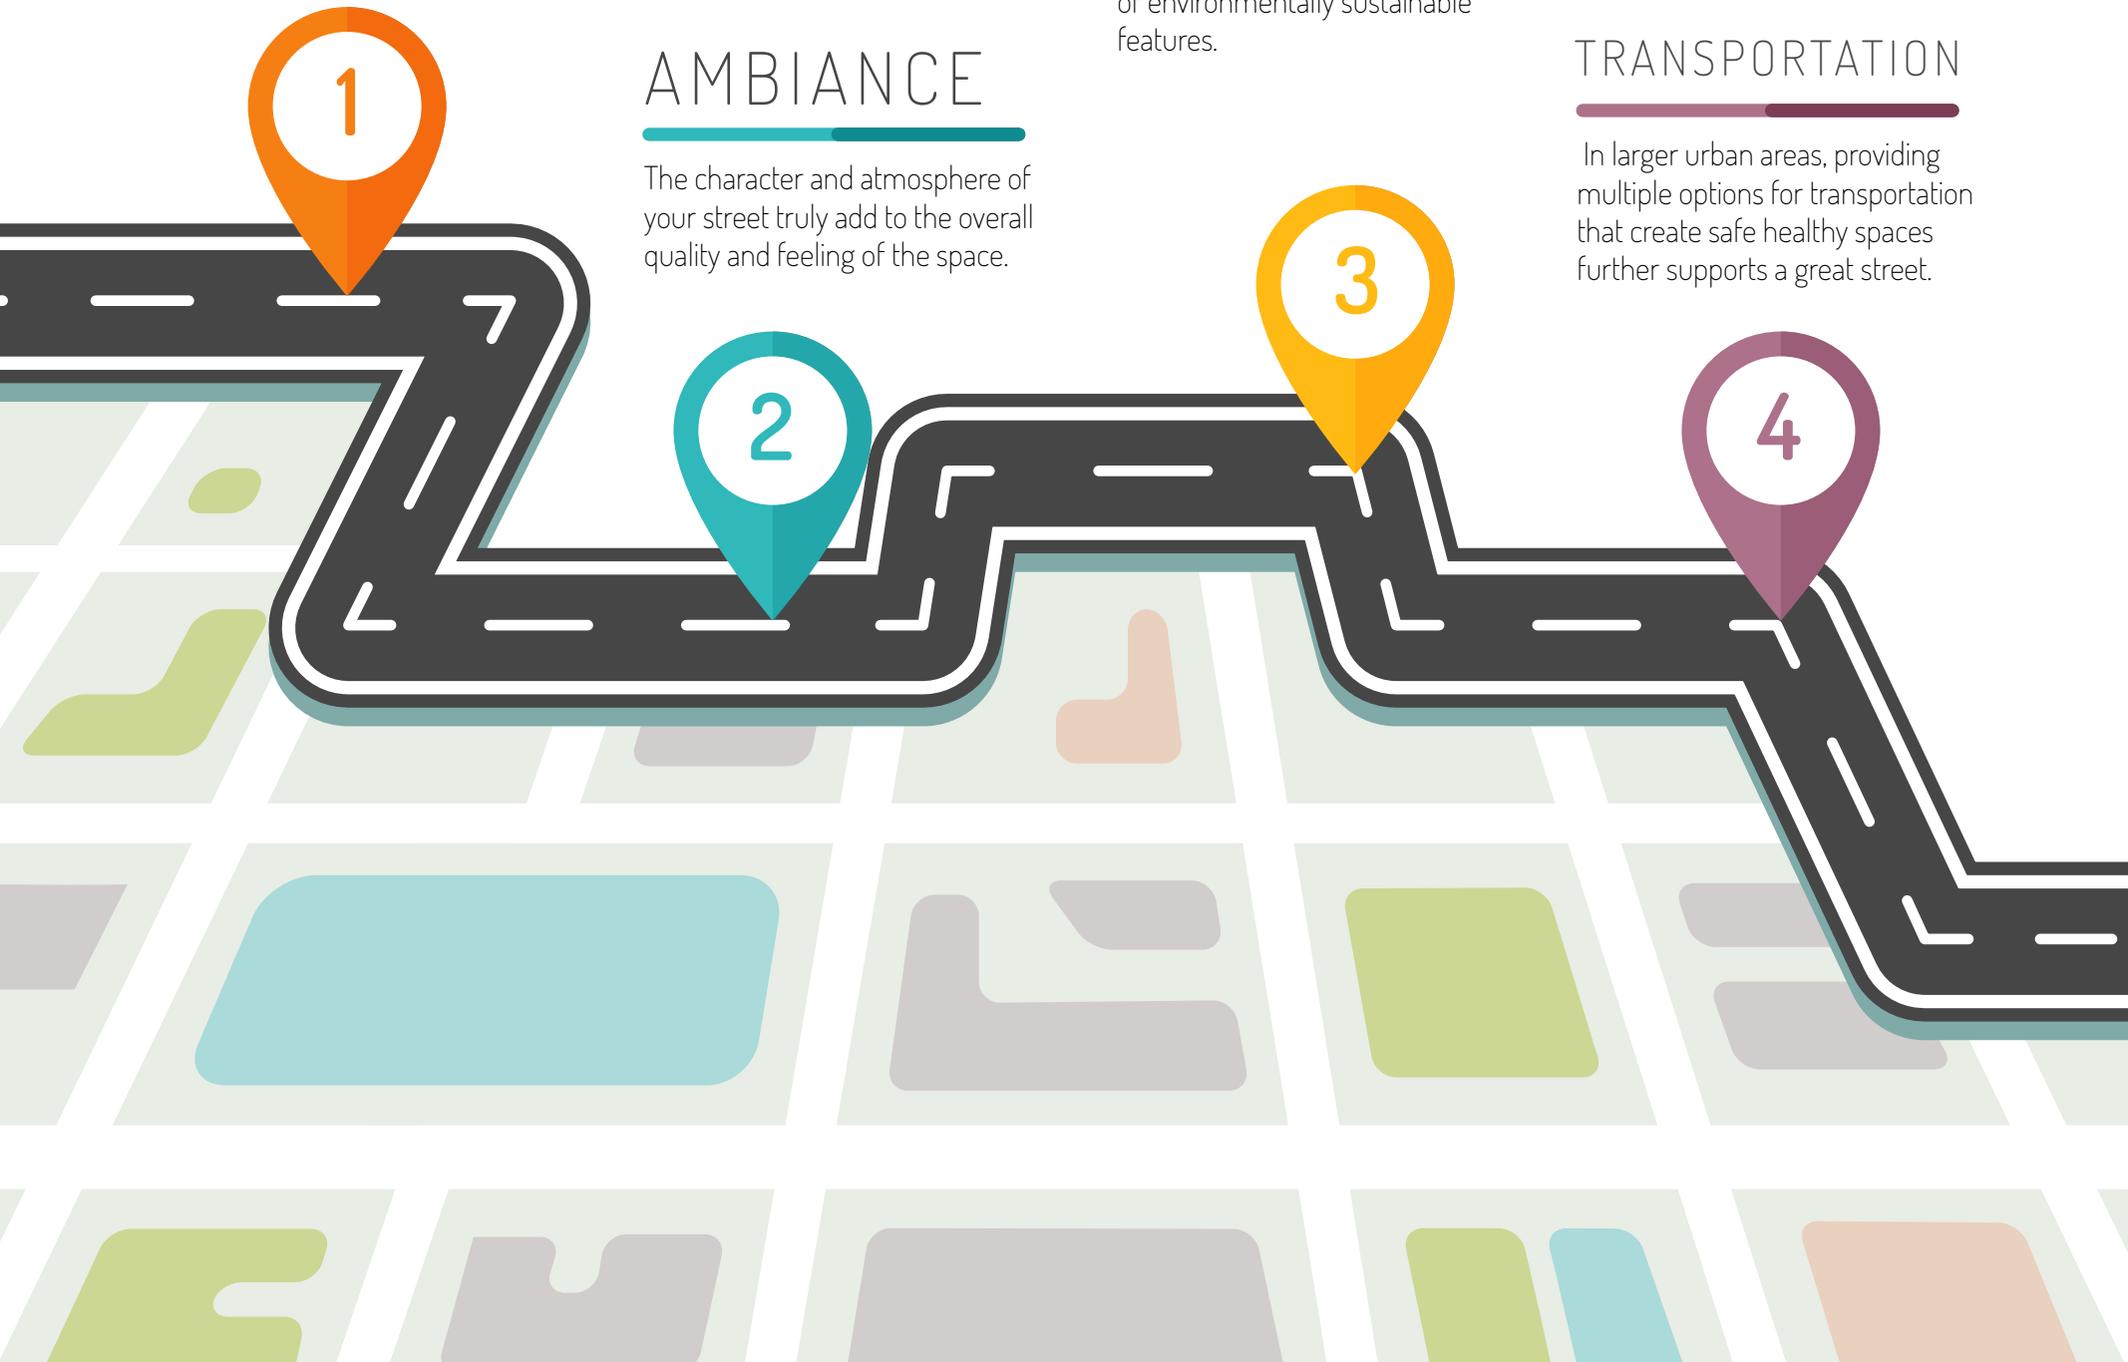

---

The character and atmosphere of your street truly add to the overall quality and feeling of the space.

## TRANSPORTATION

---

In larger urban areas, providing multiple options for transportation that create safe healthy spaces further supports a great street.

# WHAT MAKES A *Great* PUBLIC SPACE?

## SOCIAL HUB

A public space that invites people from all walks of life to visit and socialize in a safe and attractive environment is key.

## ENCOURAGES SOCIAL INTERACTION

A space that encourages social interaction motivates members of the community to bond together. This can be done through communal spaces, entertainment venues, and other institutional facilities.

## PUBLIC ART

A public space that exhibits a form of art can encourage artistic expression, community engagement, and creativity in the community. This can be displayed through statues, graffiti, sculptures, and more.

## PUBLIC TRANSIT

Access to public transit is an integral element of a great public space. Is it along a bus, or subway route? Is it accessible to everyone?
